Age 60 and older	0

Prevent WNV

- Use insect repellent when outdoors
- If possible, wear light-colored, long-sleeved shirts and pants
- Eliminate mosquito breeding grounds – drain sources of standing water

TOTAL REPORTED CASES

1

Asymptomatic blood donors: 0

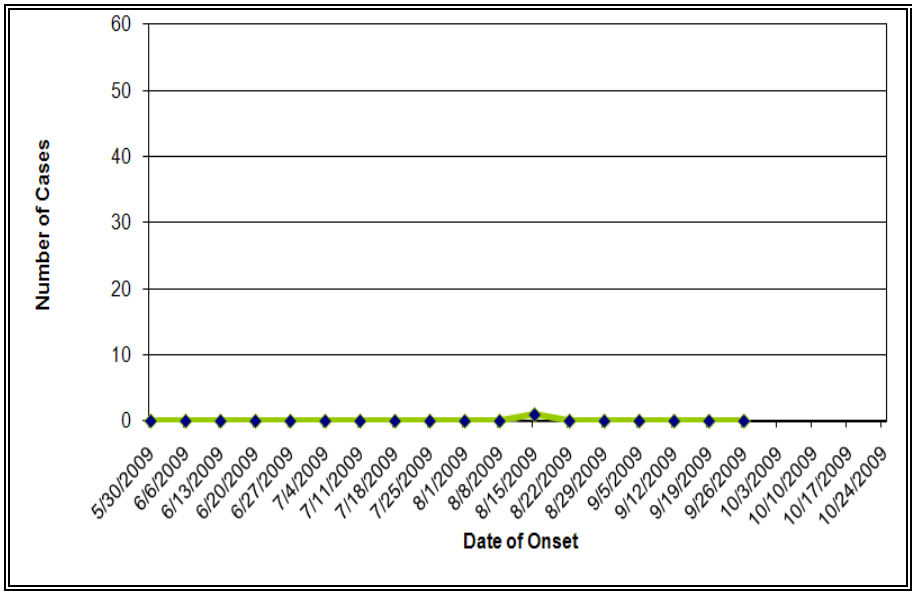
Other Information	
Female	0
Male	1
Died	0
Hospitalized	0

CDC

Helpful Tips

Avoiding mosquitoes doesn't mean that kids have to stay inside in front of the TV. Get them outside and playing, but remember – a couple of seconds applying an effective repellent to exposed skin and clothing will help everyone stay healthy.

WNV Cases by Date of Onset, North Dakota, 2009



POSITIVE BIRD AND HORSE

County	Bird	Horse
	0	0

Other:

Nelson County – 1 canine
Burleigh County – 1 canine
