NDDoH Extends Deadline for Manufacturing Facility Applications

BISMARCK, N.D. – The North Dakota Department of Health (NDDoH) has made a change to the manufacturing facility application by extending the open application period for manufacturing facilities interested in obtaining a registration certificate until Monday, April 23 at 10:00 a.m. Central Daylight Time. Because state offices are not open over the weekend, potential applicants have until 5:00 p.m. Central Daylight Time today, Friday, April 20, 2018 or from 8:00 a.m. Central Daylight Time to 10:00 a.m. Central Daylight Time on Monday, April 23, 2018 to hand deliver applications. Any applications mailed must be received by 10:00 a.m. Central Daylight Time on April 23, 2018.

“Due to the inadvertent use of Central Standard Time in the previous application instructions released by the NDDoH, there was confusion regarding the exact time deadline that applications needed to be submitted by,” stated Jason Wahl, director of the Division of Medical Marijuana.

Application instructions and application forms are available on the division’s website www.ndhealth.gov/MM/.

For questions, please contact the Division of Medical Marijuana at 701.328.1311.
