NDDoH Responds to Questions Pertaining to Dispensary Application

BISMARCK, N.D. – The North Dakota Department of Health (NDDoH) has received and responded to questions regarding the applications for dispensary registration in the Bismarck/Mandan region and the Fargo region under the North Dakota Medical Marijuana Program. The question and answer document has been posted on the division’s website.

“After reviewing and answering submitted questions, it was determined there were no changes needed to the application instructions or forms,” stated Jason Wahl, director of the Division of Medical Marijuana. “While no changes were made to the materials, we still encourage individuals interested in submitting an application to thoroughly read the questions and answers as there may be clarifying information that would be beneficial for applicants when completing their application.”

Instructions and application forms are available on the division’s website www.ndhealth.gov/MM/. A \$5,000 nonrefundable application fee is required with all submitted applications.

For questions, please contact the Division of Medical Marijuana at 701.328.1311.
