

**North Dakota Department of Health Public Notice
Issue of an AFO Permit**

Public Notice Date: 8/18/2017

Public Notice Number: ND-2017-021

Purpose of Public Notice

The Department intends to modify the existing permit pursuant to the following North Dakota Animal Feeding Operations (AFO) Permit under the authority of Section 61-28-04 of the North Dakota Century Code.

Permit Information

Design Modification Submittal: 8/7/2017

Facility Name: Fred Berger

Mailing Address: 406 W Main, Mandan, ND 58426

Telephone Number: 701.663.4253

Permit Expiration Date: 6/30/2019

Facility Description

This is a 2,400 beef feeder operation that is permitted to be constructed in the SW ¼ of Section 4, Township 140 N, Range 83 W, in Morton County. The facility submitted a design modification to the runoff containment structure liner. The liner will be constructed with clay verses a geosynthetic liner. The Public Notice is being issued, inviting comments to the design modification of the liner.

Tentative Determinations

The proposed design modification has been reviewed by the Department. The modification assures that State Water Quality Standards are protected.

Information Requests and Public Comments

Copies of the draft permit and related documents are available for review. Comments or requests should be directed to the ND Dept of Health, Division of Water Quality, 918 East Divide Ave, Bismarck ND 58501-1947 or by calling 701.328.5210

All comments received by September 18, 2017, will be considered prior to finalizing the permit. The Department will look to issue the final permit within sixty (60) days of this notice. If you require special facilities or assistance relating to a disability, call TDD at 1.800.366.6868.
