Pedaling for Possibilities (P4P) is an annual fund raising event created to help people with disabilities, and those experiencing the effects of aging purchase assistive technology devices and services. P4P is intended to be an alternative for those persons who either have no personal resources available, or have been denied or found ineligible for other public or private funding sources to purchase assistive technology. To learn more contact an IPAT office or go to www.ndipat.org/pedaling/default.asp?ID=445.

Local foundations or service clubs and organizations (i.e., Kiwanis, Lions, Jaycees, Eagles, Optimist, etc.) may be able to provide funding or assist the family with fundraising activities. Contact local foundations or service clubs and organizations in your area.
