

DEMST Personnel and Ambulance Database

A Manager's Guide to Big Picture

NORTH DAKOTA
DEPARTMENT of HEALTH

What is Big Picture?

- Big Picture is the database DEMST uses for all EMS personnel, ambulance services, and quick response units.

What can an EMS provider do in Big Picture?

- Verify and change contact information
- Print duplicate copies of your license
- Upload a picture for your license

As a manager, you can do all of those things for personnel on your roster as well as update the information for your service. Roster management is another process that can be done in Big Picture.

How to get there?

Go To: ndhealth.gov/ems/

You will be at DEMST's homepage.

Division of Emergency Medical Services and Trauma

The Division of Emergency Medical Services and Trauma (DEMST) serves as North Dakota's lead emergency medical services (EMS) agency.

DEMST is responsible for:

- The licensure of ambulance services.
- Voluntary certification of quick response units and rescue squads.
- Training, testing, certification and licensure of EMS personnel.

DEMST also administers the state trauma system and the EMS for Children Program.

With the ongoing transition, please make sure you are using the correct forms when checking the correct courses on those forms to be sure you get the correct paperwork.
Contact the DEMST office with any questions

Level	National Standard Curriculum Ends	Transition Must Be Completed
First Responder	December 31, 2011	September 30, 2016
EMT-Basic	December 31, 2011	March 31, 2016

Clicking on Joe Trauma will take you to the login page for Big Picture. Use your last name and Social security number to log into the system.

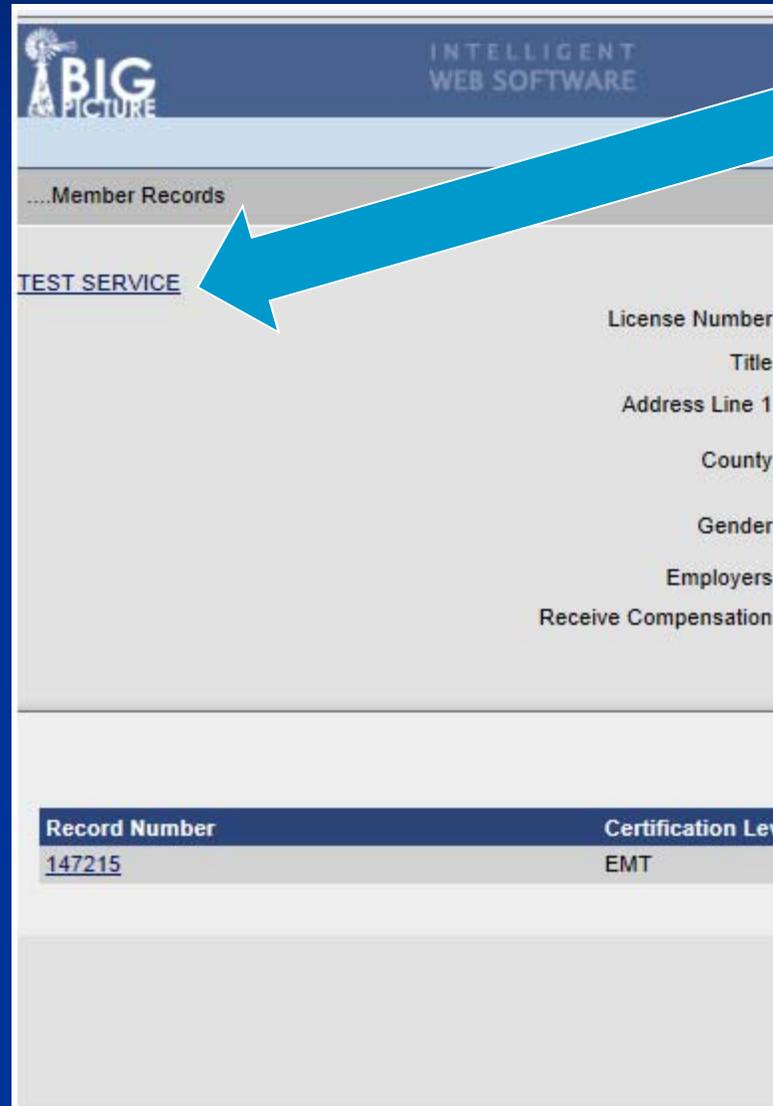

The screenshot shows the login interface for Big Picture. At the top left is the logo for Big Picture, which includes a stylized windmill icon and the text "BIG PICTURE". To the right of the logo is the text "INTELLIGENT WEB SOFTWARE". Below the logo and text is a login form with two input fields. The first field is labeled "User:" and contains the text "Johnson". The second field is labeled "Password/Social Security Number:" and contains a series of dots. To the right of the second field is the text "xxx-xx-xxxx Include Dashes" and a play button icon. To the right of the play button icon is a blue link labeled "LOGIN".
