Facts

Schools Reporting a Comprehensive Tobacco-Free School Policy

Many North Dakota schools have adopted comprehensive tobacco-free school policies, thus earning the Gold Star Award. Many more are working toward that distinction. To earn the Gold Star Award, a school must have all the components of the Comprehensive Tobacco-Free School Policy Checklist included in its tobacco policy. To view the checklist, go to www.ndhealth.gov/tobacco/Schools.htm.

Districts Reporting Comprehensive Tobacco-Free School Policy

| Number of Districts in N.D. | Number of Districts With Policy | Percentage of Districts With Policy |
|-----------------------------|---------------------------------|-------------------------------------|
| 239 | 51 | 21% |

Students Protected by Comprehensive Tobacco-Free School Policy

| Enrollment in N.D. Schools | Enrollment in Schools With Policy | Percentage of Students Protected |
|----------------------------|-----------------------------------|----------------------------------|
| 102,719 | 24,494 | 24% |
