

## Companies that Conduct Indoor Air Quality (IAQ) Testing

The following list of private environmental consulting/testing companies and laboratories have contacted the Department and indicated that they have the ability to conduct IAQ testing. This list is provided only as a service to parties who want to have testing conducted. The North Dakota Department of Health does not favor or endorse companies or laboratories for conducting IAQ testing. Inclusion on this list does not constitute an endorsement by the North Dakota Department of Health. This list is not all-inclusive – parties interested in having testing done may wish to consult a telephone directory or other sources for additional environmental consulting firms.
