**STATE OF NORTH DAKOTA
PUBLIC SERVICE COMMISSION**
FirstLink
211 Designation
Application Case No. PU-09-713
**NOTICE OF OPPORTUNITY FOR
HEARING**
November 25, 2009

The Federal Communications Commis-
sion (FCC) has designated the 211 dial-
ing code to provide direct access to or-
ganizations providing community informa-
tion and referral services that are current-
ly not available through the 911 emergen-
cy code or the 311 police non-emergency
code.

On September 24, 2003, the Commission
designated the Mental Health Association
in North Dakota (MHAND), as the user of
the 211 dialing code in North Dakota.
On March 7, 2007, the Commission au-
thorized MHAND to subcontract 211 op-
erations within North Dakota. MHAND
has been subcontracting with FirstLink for
the provision of 211 operations in Cass
County.

In its October 30, 2009 letter, MHAND
notified the Commission that, due to lack
of economic support, it must relinquish its
designation as the 211 dialing code user.
On November 2, 2009, the Commission
received a letter stating that effective Oc-
tober 30, 2009, FirstLink will temporarily
provide 211 operations for North Dakota
until a decision is made about 211's fu-
ture.

On November 23, 2009, FirstLink filed a
letter requesting designation as the 211
dialing code user for North Dakota.
The issues to be considered are:

1. Is any other entity interested in designation as the user of the 211 dial code in North Dakota?
2. Is the FirstLink's intended use of the 211 dial code in North Dakota consistent with the FCC intended use of that code?

Those interested are invited to comment
in writing. Persons desiring a hearing
must file a written request identifying their
interest in the proceeding and the reasons
for requesting a hearing. Comments
and requests for hearing must be re-
ceived by January 8, 2010. If deemed ap-
propriate, the Commission can determine
the matter without a hearing.

Service Commission, State Capitol, Bis-
marck, North Dakota 58505,
