

SUBJECT: EMS Agency Training Grant Policy

Rationale: This grant has been around in some form for many years and is intended to help meet the continuing education requirements for volunteers. This grant will be distributed to volunteer EMS agencies under the following conditions:

1. The EMS agency must be licensed / certified by DEMST.
2. Application must be made on the form “EMS Agency Training Grant Application” provided by DEMST.
3. Applications must be received by June 13 of any year to be considered processed in that fiscal year.
4. One grant may be funded per EMS entity per year.
5. Ambulance services with volunteers and three or less paid personnel may receive \$2,000; volunteers and four to five paid personnel \$1,000; and volunteers and six or more paid personnel \$500.
6. QRUs with volunteers and three or less paid personnel may receive \$1,500; volunteers and four to five paid personnel \$1,000; and volunteers and six or more paid personnel \$500.
